Product Type	BDSM flogger / whip
Intended Use	Impact play, sensory play

Box contents

- 1 x Black braided leather flogger

Usage tips

Recommend customers start with lighter strokes on fleshy areas such as the buttocks or thighs, avoiding bony areas like the spine, joints, or head. The braided tails allow for a range of sensations from gentle sensory brushing to firmer thuds, making this flogger suitable for gradually building intensity during a scene. Always encourage the use of a safe word and clear communication between partners.

Care instructions

Wipe leather tails clean with a slightly damp cloth after use and allow to air dry fully before storage. Periodically condition the leather with a leather-safe conditioner to prevent drying and cracking. Store in a cool, dry place away from direct sunlight to preserve suppleness and color.

Safety information

For adult use only. Intended for consensual impact play between informed partners. Avoid striking sensitive areas such as the face, throat, spine, joints, and kidneys. Inspect leather tails periodically for wear or fraying before use. Keep out of reach of children.
