

Black Leather BDSM Collar and Leash Set with Diamond Clasp - Variant 2

SKU : BDSM-0025 · Brand : JOYSTOYS PARIS

This black leather collar and leash set features a striking gold diamond-shaped metal clasp connecting the collar to a matching leather leash with chain detailing. A refined variant of our classic bondage collar design, this piece combines durable leather construction with polished gold-tone hardware for a bold, fetish-ready aesthetic. Ideal for retailers stocking BDSM accessories, adult boutiques, and lingerie shops looking to expand their restraint and roleplay category with a versatile, eye-catching product.

Highlights

- Genuine black leather collar and matching leash
- Eye-catching gold-tone diamond-shaped metal clasp
- Reinforced chain link connector for secure control
- Adjustable collar fit for various neck sizes
- Classic BDSM design with a distinctive variant twist
- Great for adult retail, fetish boutiques, and online stores

Closure Type	Adjustable buckle collar
Category	BDSM bondage accessory
Intended Use	Adult roleplay, fetish wear, restraint play

Box contents

- 1 x Leather collar
- 1 x Leather leash with chain and diamond clasp

Usage tips

Fasten the collar snugly but comfortably around the neck, ensuring two fingers can fit between the collar and skin for safety. The leash can be used for guided movement during roleplay; always maintain clear communication with your partner and establish a safe word beforehand.

Care instructions

Wipe the leather clean with a damp cloth after use and allow it to air dry completely before storing. Avoid prolonged exposure to moisture, direct sunlight, or high heat. Apply a leather conditioner periodically to maintain flexibility and prevent cracking. Store flat or hung in a cool, dry place away from other latex or rubber items.

Safety information

For adult use only (18+). Never leave a partner unattended while wearing the collar and leash. Do not pull the leash forcefully or use it to restrict breathing. Discontinue use immediately if skin irritation, numbness, or discomfort occurs. Keep away from children and pets.
