

Black Leather BDSM Collar and Leash Set with Diamond Clasp

SKU : BDSM-0014 · Brand : JOYSTOYS PARIS

This black leather collar and leash set is designed for retailers seeking premium bondage accessories that combine style with functionality. The collar and leash are connected via a sturdy diamond-shaped metal clasp, offering a secure and visually striking link between the two pieces. A robust metal chain runs between the collar and handle, providing durability for extended play sessions, while the ergonomic handle ensures a comfortable, secure grip for the holder. Crafted from quality black leather, this set delivers a classic, versatile look that appeals to both beginners and experienced BDSM enthusiasts. Perfect for adult boutiques, online retailers, and specialty stores looking to expand their bondage and fetish product lines with a reliable, best-selling item.
