

JOYSTOYS PARIS Chrome Vibrating Butt Plug - Rechargeable Small

SKU : PLUG-VIBRANT-QPE9 · Brand : JOYSTOYS PARIS

The JOYSTOYS PARIS Chrome Vibrating Butt Plug brings together striking visual appeal and reliable performance in one elegant accessory. Its glossy chrome-effect finish, paired with a soft-touch pink silicone base, creates a piece that is both eye-catching on display and comfortable in use, designed to attract discerning shoppers in any retail setting.

Crafted from ultra-smooth premium silicone, this small-size plug delivers a comfortable grip and gradual insertion suited to users who want to explore anal pleasure with confidence. Its classic ergonomic shape, finished with a stable base and single control button, ensures secure retention and effortless, intuitive operation. Featuring several vibration modes, this plug stands out for its whisper-quiet motor, allowing for truly discreet, private enjoyment. Certified IPX7 waterproof, it can be rinsed under running water or used in the shower or bath, adding versatility and making cleaning simple. Charging is handled via the included magnetic USB cable, providing convenient power without any reliance on disposable batteries. Formulated without phthalates, this plug meets current safety standards (CE, RoHS) and is suitable for repeated use with complete peace of mind. Its polished packaging in JOYSTOYS PARIS brand colors, complete with a display window and clear feature icons, makes shelving and in-store merchandising easy for professional resellers.

Usage tips

Use a water-based lubricant to preserve the integrity of the silicone material. Start with the gentlest vibration setting before exploring higher intensities. Insert the plug gradually while relaxing the muscles for maximum comfort. The single button on the base powers the toy on and off and cycles through vibration modes.

Care instructions

Clean the plug before and after each use with warm water and mild soap, or a dedicated toy cleaner. Dry thoroughly before storing. Avoid silicone-based lubricants, as they are not compatible with this material. Store in a cool, dry place away from direct sunlight and dust.

Safety information

Intended for adult use only. Made without phthalates, compliant with CE and RoHS standards. Discontinue use if skin irritation occurs. Keep out of reach of children. Do not submerge the electronic components beyond the specified IPX7 waterproof rating.
