

Cloud Jeweled Plug, Red Silicone 50g

SKU : CLOUD-PLUG-BIJOU-SILICONE-ROUGE-50G-Y3NL · Brand : JOYSTOYS PARIS

The Cloud jeweled plug from the Hidden Eden collection pairs the softness of premium silicone with the elegance of a faceted clear gem set into its base. Its delicate, sensual coral red hue makes it as decorative as it is pleasurable to wear.

Weighing 50g, this plug sits in an intermediate range, ideal for users progressing gently after their first experience or for those seeking a moderate sense of fullness without going to extremes. Its classic tapered shape allows for easy insertion, while the narrowed neck ensures comfortable retention once in place.

Crafted from medical-grade silicone, the surface feels soft to the touch, is hypoallergenic, and provides a refined sensory experience against the skin. The wide, secure base guarantees worry-free use, meeting the safety standards expected of this type of accessory.

This product is designed for specialty shops and professional retailers looking to offer their customers a polished, aesthetically pleasing, and high-quality jeweled plug range, true to the Hidden Eden collection's signature style.

Highlights

- Premium silicone, soft and hypoallergenic to the touch
- Faceted clear gem set into the base for a refined jeweled finish
- 50g weight for a progressive sense of fullness
- Wide, secure base for comfortable and safe retention
- Compatible with water-based lubricants
- Polished Hidden Eden collection packaging, retail-ready

Base	Secure retention ring
Collection	Hidden Eden
Recommended use	Adults, intermediate level

Box contents

- 1 Cloud jeweled plug in red silicone, 50g
- Multilingual instruction leaflet

Usage tips

Apply a generous amount of water-based lubricant before use to ease insertion. Proceed gradually, respecting the user's pace and comfort level. The 50g weight is best suited for those who already have some prior experience with butt plugs.

Care instructions

Clean the plug before and after each use with warm water and mild soap, or a dedicated silicone toy cleaner. Rinse thoroughly and dry before storing in its original packaging. Avoid excessive heat sources and silicone-based products that could damage the material.

Safety information

Made from hypoallergenic silicone suitable for prolonged skin contact. Use exclusively with water-based lubricant, as silicone-based lubricants may damage the material. The wide base ensures secure retention, preventing full insertion.
