

Cognac Leather BDSM Collar with Gold O-Ring by JOYSTOYS PARIS

SKU : BDSM-0001 · Brand : JOYSTOYS PARIS

The Cognac Leather BDSM Collar with Gold O-Ring by JOYSTOYS PARIS embodies the perfect union of elegance and refined fetish style. Crafted from genuine leather in a rich cognac ombre tone, this choker-style collar stands out with its polished finish and black interior lining, which structures the piece while ensuring optimal comfort against the skin. The functional gold O-ring, positioned at the center and topped with a small metal bead, serves as the signature feature of this design: it can be used as an attachment point for a matching leash or simply to emphasize the submissive/dominant aesthetic of an outfit. The gold metal buckle at the back, paired with multiple snap buttons, allows for precise neck sizing to accommodate different body types. This versatile piece works equally well as part of a full BDSM ensemble, a fetish set, or a bold lingerie look. Its premium finish and timeless design make it a high-turnover item for specialty shops and adult lingerie retailers looking to expand their accessories range. Easy to showcase in-store or online thanks to its photogenic look and richly detailed ombre finish, this cognac collar sets itself apart from standard black models, appealing to customers seeking warmer, more original tones while still delivering the bold visual codes of the BDSM world.
