Usage tips

Clean the toy thoroughly before and after each use with a dedicated toy cleaner or warm water and mild, unscented soap. Always use a water-based lubricant to preserve the integrity of the silicone coating and avoid material degradation.

Care instructions

Store in a cool, dry place away from direct sunlight, ideally in the included premium box or a dedicated storage pouch. Avoid contact with oil-based or silicone-based lubricants, as these can damage the silicone surface. Ensure the charging port is fully dry before connecting the magnetic USB cable.

Safety information

Made from body-safe, phthalate-free premium silicone suitable for intimate use. Waterproof design (IPX7 rated depending on version) allows safe use in water. For hygiene and safety, always use a water-based lubricant and clean the product before and after each use. Not intended for use by minors.
