

Rosée Intime Connected Panty Vibrator

SKU : CD137 · Brand : JOYSTOYS PARIS

The Rosée Intime connected panty vibrator by JOYSTOYS PARIS reinvents shared pleasure with cutting-edge app-based remote control technology. Crafted from soft, hypoallergenic medical-grade silicone, this discreet accessory tucks neatly into lingerie thanks to its gold magnetic clip, which keeps it securely in place even during movement. The ergonomic head, covered in soft nubs, precisely targets the clitoral area for intense, progressively building stimulation. The dedicated app lets you control all 9 vibration modes remotely, whether your partner is in the next room or on the other side of the world, turning everyday moments into playful, intimate teasing. Long-range Bluetooth connectivity ensures smooth, lag-free responsiveness. The device recharges quickly via the included magnetic USB cable, offering comfortable battery life for extended wear. Quiet and discreet, this wearable toy is perfect for solo play or couples' fun, whether under clothing at home or out on a date. Its splash-resistant design makes cleanup quick and easy. This product is ideal for boutiques and specialty retailers looking to offer their customers a trendy connected accessory that combines discretion, technology and intense pleasure.

Highlights

- Remote app control for long-distance couples' play with no limits

Recommended age	18 years and older
Use	Solo or couples' play, worn under clothing

Box contents

- 1 connected silicone panty vibrator
- 1 magnetic attachment clip
- 1 magnetic USB charging cable
- 1 multilingual instruction manual

Usage tips

Attach the gold magnetic clip on the outside of the lingerie and position the silicone head directly on the desired area inside the panties. Turn on the device using the manual button, then pair it with the dedicated app to control vibrations remotely. Use a water-based lubricant compatible with silicone for optimal comfort. Never turn on the device while it is charging.

Care instructions

Clean the vibrator before and after each use with a dedicated toy cleaner or warm soapy water, avoiding prolonged full submersion. Dry thoroughly with a soft cloth before storing in a dry place away from direct light and heat sources. Only recharge using the included magnetic USB cable.

Safety information

Made from phthalate-, latex- and BPA-free medical-grade silicone, suitable for prolonged skin contact. Intended for use by consenting adults aged 18 and over only. Never turn the device on while charging. Discontinue use if irritation or skin reaction occurs and consult a healthcare professional if needed.
