

CHILIPINK CR 4889 Red and Black Lace Open Body with Straps

SKU : CR-4889-RED-BODY-ODSC · Brand : CHILIPINK

The CR 4889 bodysuit by CHILIPINK pairs red floral lace over a black base with strategic cutouts that reveal skin while keeping an elegant edge. The front features a deep V-neckline accented with thin adjustable elastic straps, extending into a wide central cutout that highlights the midriff. At the back, the fully open design reveals sheer tulle paneling and a high-cut thong bottom, structured with adjustable straps and a metal buckle detail. Thin, adjustable shoulder straps provide comfortable support while preserving the piece's fluid silhouette. This style blends stretch lace fabric, sheer mesh, and tulle for a contrasting play of textures between modesty and transparency. Designed for nightwear, boudoir photoshoots, or intimate evenings, this bodysuit stands out for its notched cut and refined floral pattern, two features that make it a standout piece for any lingerie or adult boutique. Its versatility allows it to be worn alone, under a sheer dress, or paired with matching accessories from the CHILIPINK collection.
