

JOYSTOYS PARIS Flexible Realistic Suction Cup Dildo

SKU : JY44 · Brand : JOYSTOYS PARIS

This realistic dildo from JOYSTOYS PARIS accurately replicates the curves, veins and contours of a natural male shaft, delivering an authentic and immersive sensory experience. Crafted from premium soft, flexible material, it bends and adapts easily for optimal insertion comfort while retaining enough firmness for satisfying penetration. The slightly darker, contrasting head adds a strikingly lifelike visual touch that's especially popular with users seeking maximum realism. The base features a powerful suction cup that allows for stable attachment to any smooth, clean surface such as tile, glass or furniture, turning this piece into a versatile hands-free accessory. This feature makes it a highly sought-after item in adult retail, suitable for solo play as well as couples' scenarios. The soft yet resilient texture allows for natural flexing without permanent deformation, ensuring solid durability for repeated professional use in-store or during product demonstrations. With no batteries or vibration function, this model appeals to customers looking for simplicity, true-to-life feel and excellent value for money. It's an entry-to-mid-range product that's ideal for rounding out a general assortment of realistic dildos, whether for brick-and-mortar adult shops or specialized online retailers.

Usage tips

Apply a generous amount of water-based lubricant before use for optimal comfort, especially for anal play. Attach the suction cup to a perfectly smooth, clean and dry surface to ensure maximum grip before any hands-free use. Insert gradually at the user's own pace, never forcing it.

Care instructions

Clean the product before and after each use with warm water and a mild, unscented soap, or a dedicated sex toy cleaner. Dry thoroughly before storing in a clean, dry place away from direct light. Avoid prolonged contact with other silicone items to preserve the material. Do not use silicone-based lubricant if the product is made of silicone, to prevent surface degradation.

Safety information

For use by consenting adults only. Check material compatibility beforehand if you have known skin sensitivities. Use only lubricant compatible with the product's material. Do not expose to extreme temperatures. Keep out of reach of children.
