

Fun Factory Charme - Rechargeable Clitoral Bullet Vibrator

SKU : FUN-FACTORY-CHARME-VIBROMASSEUR-BULLET-C-KCJV · Brand : JOYSTOYS PARIS

JOYSTOYS PARIS introduces the Charme by Fun Factory, a rechargeable bullet vibrator with a distinctive curved shape that naturally follows the contours of the vulva for targeted, precise clitoral stimulation. Compact and lightweight, this external stimulator is designed to appeal to a broad customer base, from first-time buyers looking for an entry-level rechargeable toy to experienced users wanting to enhance foreplay.

The Charme stands out thanks to its single-button control, allowing for instant, intuitive handling, while offering 12 vibration settings to adjust intensity from gentle pulses to stronger sensations. Unlike straight, classic bullet designs, its curved silhouette allows for optimal contact with the clitoris and surrounding areas.

Crafted from soft-touch silicone, this bullet features IPX7 waterproof protection, making it safe to use in the shower or bath, solo or with a partner. Its USB-C rechargeable battery delivers up to 45 minutes of continuous use, a practical feature for travel or on-the-go pleasure. Measuring 8.5 cm in length and weighing just 42 g, it fits easily into a toiletry bag or nightstand drawer.

The Charme is an ideal addition for retailers looking to offer a premium alternative to entry-level bullet vibrators, backed by Fun Factory's trusted quality and an industry-leading 25-year manufacturer warranty. A water-based lubricant is recommended alongside use to protect the silicone surface and enhance comfort.

Highlights

- Exclusive curved shape for targeted, natural clitoral stimulation
- Single-button control for instant, beginner-friendly use
- 12 vibration modes to vary intensity and sensation
- IPX7 waterproof rating: safe for shower or bath use
- Up to 45 minutes of battery life, USB-C rechargeable
- Compact 8.5 cm, 42 g design, perfect for travel
- Body-safe silicone with a 25-year manufacturer warranty

Manufacturer warranty	25 years

Box contents

- 1 Fun Factory Charme bullet vibrator

Usage tips

Apply a small amount of water-based lubricant to the area to be stimulated before use for optimal comfort. Use the single button to power on the device and cycle through the 12 vibration modes until you find your preferred intensity.

Thanks to its IPX7 waterproof rating, the Charme can be safely used in the shower or bath.

Care instructions

Clean the bullet before and after each use with warm water and mild soap, or a dedicated toy cleaner. Dry thoroughly before storing. Avoid prolonged contact with other silicone toys to preserve the surface. Charge via the USB-C cable (not included) before first use.

Safety information

Designed for external use only. Body-safe, phthalate-free silicone. Certified IPX7 waterproof rating. Do not submerge deeply or expose to high water pressure. Keep out of reach of children.
