

Lubrix Nature - Water-Based Intimate Lubricant by JOYLUB (100ml)

SKU : LUBRIX-NATURE-LUBRIFIANT-A-BASE-D-EAU-10-7G01 · Brand : JOYLUB

Lubrix Nature is a water-based intimate lubricant designed to deliver a smooth, fluid and comfortable glide for everyday use. Its dermatologically tested formula makes it a reassuring choice to offer customers who care about the quality and skin tolerance of the intimate products they use. Presented in a clear 100ml bottle fitted with a white pump dispenser, it allows for precise, hygienic and waste-free application every time. Made in France, Lubrix Nature meets the traceability and quality control standards that industry professionals look for, a strong selling point for specialty shops and e-commerce sites. Its water-based formula makes it compatible with the vast majority of intimate accessories made from silicone, latex or TPE, making it a versatile lubricant suitable for a wide customer base, from beginners to regular users. This 100ml size, more compact than the 200ml bottle in the same range, is particularly well suited for in-store retail, inclusion in discovery kits, or as an easy-to-promote entry-level item on shelves or end-cap displays. An essential product with excellent value for money, this reliable made-in-France reference is easy to recommend to end customers and a smart addition to any wholesale lubricant assortment.

Highlights

- Water-based lubricant with a smooth, fluid, non-greasy formula
- Dermatologically tested for optimal skin tolerance
- Made in France, a mark of quality and traceability
- Compact 100ml size with pump dispenser for precise, hygienic dosing
- Compatible with most silicone, latex and TPE intimate accessories
- Ideal entry-level item for retailers, e-commerce sellers and discovery kits

Technical specifications

Brand	Joylub - Lubrix Nature
Formula type	Water-based lubricant
Volume	100ml
Packaging	Bottle with pump dispenser
Origin	Made in France
Dermatological testing	Dermatologically tested
Toy compatibility	Silicone, latex, TPE

Box contents

- 1 bottle of Lubrix Nature 100ml with pump dispenser

Usage tips

Apply a small amount of lubricant to the desired area or directly onto the intimate accessory using the pump dispenser.

Reapply as needed during use, since the water-based formula is not greasy and may require topping up for prolonged sessions. A single press of the pump provides an accurate, mess-free dose.

Care instructions

Close the bottle carefully after each use and store it away from light and heat, in a dry place. Do not expose to extreme temperatures or freezing conditions.

Safety information

For external use only, intended for intimate use. Avoid contact with eyes; if contact occurs, rinse thoroughly with clean water. Keep out of reach of children. Do not ingest. Discontinue use and consult a doctor in case of irritation or skin reaction.
