Usage tips

Best worn with minimal jewelry to let the sequins take center stage. Pair with strappy heels and a clutch for clubwear or evening events. Since the dress is strapless, a supportive strapless bra or fashion tape can help secure the fit for larger busts.

Care instructions

Hand wash cold in mild detergent, do not wring. Lay flat to dry away from direct heat. Do not iron directly on sequins; use a low setting with a protective cloth if needed. Avoid bleach and tumble drying to preserve sequin finish and stretch.

Safety information

Adult sizing garment; not a toy or child's item. Keep away from open flame due to synthetic fabric content. Check for loose sequins before first wear and after washing.
