

Nurse Costume Bodysuit, Backless, White & Red - CHILIPINK

SKU : R80674 · Brand : CHILIPINK

This nurse costume bodysuit by CHILIPINK pairs semi-sheer white tulle with red trim for a bold, graphic look that performs well on sexy costume product pages. The cups feature embroidered red crosses styled like a medical badge, creating a cut-out effect that reveals the bust while keeping the costume theme intact. The back is fully bare, framed by slim crossed red straps that shape the neckline and tie off into a decorative bow. At the rear, the crotch is open and trimmed with matching white lace, while gathered ruffles edged in red add a flirty, retro finish along the hem. The cut is designed to flatter a range of body types, from standard to plus size, as shown in the product visuals. Sold complete with a white nurse cap featuring a red cross on a headband, plus a matching fake stethoscope, this bodysuit forms a full role-play set ready to stock on shelves or feature in-store. Perfect for retailers specializing in fantasy lingerie, themed parties, Halloween or bachelorette events, this costume combines clean construction, stretchy comfortable fabric and unabologetically glamorous styling. A must-have for any sexy costume category looking to round out a naughty lingerie or erotic fancy-dress offering.

Highlights

- Fully backless design for a bold, daring look
- Embroidered red crosses styled like a medical badge on the cups
- Open crotch trimmed with white lace
- Red-trimmed ruffles along the hem
- Includes matching nurse cap and fake stethoscope

Intended audience	Adult women

Box contents

- 1 nurse costume bodysuit
- 1 nurse cap on headband

- 1 decorative fake stethoscope

Usage tips

Step into the bodysuit through the leg or head opening depending on style; adjust the back straps for optimal bust support. Pairs perfectly with heels, stockings or a garter belt to complete the sexy nurse theme.

Care instructions

Hand wash in cold water recommended; avoid rubbing the lace or embroidered areas. Do not tumble dry or iron directly over the trim and ruffles; lay flat to dry away from direct sunlight.

Safety information

Textile item intended for aesthetic and erotic adult use only. The included stethoscope is a decorative prop, not a medical device, and should not be used for diagnostic purposes. Keep out of reach of children.
