

# Powerful Love Wand Massager - Black Silicone, 10 Vibration Modes

SKU : Wand Puissant Love Wand Silicone Rose 10 Vibrations · Brand : JOYSTOYS PARIS

The Powerful Love Wand Massager by JOYSTOYS PARIS is a wand-style vibrator engineered to deliver intense sensations thanks to its wide, rounded head, perfect for a deeply stimulating massage. Its body is crafted from soft-touch silicone with a textured handle for a secure grip, ensuring comfortable handling while remaining gentle against the skin.

Featuring 10 adjustable vibration modes controlled by three intuitive buttons on the handle, this wand adapts to every preference, from gentle, gradual stimulation to more intense sensations. Its whisper-quiet motor allows for discreet use, a feature valued equally by end users and retailers looking to stock premium-quality items.

Rated IPX7 waterproof, this wand is easy to clean with water and can be used in the shower or bath for added versatility. It recharges effortlessly via the included USB cable, eliminating the need for batteries and offering convenient everyday power.

Packaged in eye-catching JOYSTOYS PARIS branded retail packaging, complete with a display window and clear icons highlighting key features, this product is shelf-ready and ready to sell for boutiques and professional resellers alike.

**Box contents**

- 1 JOYSTOYS PARIS Love Wand Massager
- 1 USB charging cable

**Usage tips**

Fully charge the wand before first use with the included USB cable. Use a water-based lubricant compatible with silicone for the best experience. Press the buttons on the handle to power on the device and cycle through the 10 vibration modes until you find your preferred intensity.

**Care instructions**

Clean the wand before and after each use with warm water and mild soap, or a specialized toy cleaner, thanks to its IPX7 waterproof rating. Dry thoroughly before storing in a clean, dry place away from direct sunlight. Avoid contact with other silicone items or silicone-based lubricants, as these can damage the material.

**Safety information**

Made from body-safe silicone, safe for skin contact. The housing is IPX7 waterproof but not designed for prolonged deep-water immersion; avoid submerging the charging port. Use only water-based lubricant to preserve the silicone's integrity. Product compliant with CE and RoHS standards.
