

Powerful Wand Massager Love Wand Pink Silicone 10 Vibration Modes

SKU : WAND-PUISSANT-Z0TC · Brand : JOYSTOYS PARIS

The Powerful Love Wand JW-200 by JOYSTOYS PARIS is a wand-style massager engineered to deliver intense sensations while staying discreet, thanks to its whisper-quiet motor. Its rounded, flexible head paired with a diamond-textured handle for a secure grip make it comfortable both for personal use and for in-store demonstrations. Crafted from medical-grade, phthalate-free silicone, it stands out for its soft-touch feel and easy maintenance. The wand offers 10 vibration modes controlled via three buttons on the handle, letting users adjust intensity and rhythm to their preference. Rated IPX7 waterproof, it can be safely used and cleaned under running water. It recharges easily via USB cable, eliminating the need for batteries, which simplifies both resale and everyday use. Presented in premium packaging featuring JOYSTOYS PARIS branding, with a clearly displayed spec sheet outlining key features, this wand is designed for professional resellers looking to stock a reliable, attractive product that meets CE and RoHS standards.

Highlights

- 10 powerful, progressive vibration modes
- Ultra-quiet motor for discreet use
- IPX7 certified waterproof design
- USB rechargeable, no batteries required
- Soft-touch, phthalate-free silicone
- Ergonomic textured handle for a secure grip

Vibration Modes	10 modes
Waterproof Rating	IPX7
Power Source	USB rechargeable
Certifications	CE, RoHS
Country of Manufacture	Made in China

Box contents

- 1 Love Wand JW-200 massager
- 1 USB charging cable

Usage tips

Fully charge the wand before first use with the included USB cable. We recommend using a water-based lubricant compatible with silicone. Press the power button to turn on the device, then select your preferred vibration mode from the 10 available options using the dedicated buttons.

Care instructions

Clean the wand before and after each use with a dedicated toy cleaner or warm soapy water; its IPX7 rating allows safe rinsing under running water. Dry thoroughly before storing and avoid contact with solvents or alcohol, which can damage the silicone surface.

Safety information

Phthalate-free silicone, for personal use only. Compatible with water-based lubricants. Do not use oil-based or silicone-based lubricants, as they may degrade the material. Keep out of reach of children and store in a dry place.
