

Purple Ecstasy - Clitoral Suction Stimulator

SKU : GM11 · Brand : JOYSTOYS PARIS

Purple Ecstasy is a premium clitoral stimulator engineered to deliver a contact-free pleasure experience through advanced air-pulse suction technology paired with deep vibration. Its enveloping head creates a gentle yet intense suction effect that mimics oral-style stimulation, while the body of the device adds complementary vibrations to multiply pleasure points. Crafted from medical-grade, hypoallergenic silicone that feels soft to the touch, this toy glides smoothly against the skin and cleans easily after every use. The ergonomic curved design follows the natural contours of female anatomy for precise, comfortable positioning, even during extended sessions. The device is fully USB rechargeable, eliminating the need for batteries and ensuring reliable power for multiple sessions. A simple three-button control (plus, on/off, minus) lets users easily adjust suction and vibration intensity to match personal preference. Fully waterproof, it can be enjoyed in the shower or bath, making it a versatile choice for solo play or couples' intimacy. This product is designed for specialty boutiques, adult retailers, and e-commerce platforms looking to offer their customers a modern, high-performing clitoral stimulator with discreet packaging. Its compact silhouette makes it easy to store on shelves and simple to transport, and its strong value proposition makes it a high-turnover bestseller for professional resellers.

Usage tips

Apply a small amount of water-based lubricant to the area for added comfort before use. Start at the lowest intensity setting and gradually increase based on personal preference. Place the suction head directly over the clitoris for optimal stimulation, allowing the body of the device to provide additional vibration.

Care instructions

Clean the device before and after each use with warm water and mild soap or a specialized toy cleaner. Dry thoroughly before storing. Do not submerge the USB charging port. Avoid silicone-based lubricants, as they can degrade the product's silicone coating over time. Store away from direct sunlight and dust, ideally in a dedicated storage pouch.

Safety information

For adult use only. Check for silicone allergies before use. Do not use a damaged device or one with a faulty charging connection. Keep out of reach of children. Do not submerge the charging port in water. CE certified for electrical and material safety compliance.
