

Rainbow Iridescent Steel Jewel Plug 51g

SKU : RAINBOW-PLUG-BIJOU-IRISE-51G-X3WA · Brand : JOYSTOYS PARIS

The Rainbow plug by JOYSTOYS PARIS captures the perfect fusion of jewelry-inspired design and refined anal pleasure. Crafted from high-quality stainless steel, this plug showcases a spectacular iridescent finish that catches the light and shifts through rainbow hues, from violet to blue to gold, creating a unique visual effect that is especially eye-catching for storefront displays and online catalogs. Its base is crowned with a faceted multicolor crystal that elevates the product's premium aesthetic, adding a touch of sophistication to this classic intimate pleasure item. Weighing 51g, this model delivers a moderate, satisfying fullness, making it ideal for beginner customers or those seeking a comfortable option for extended wear. Its classic tapered shape allows for gradual, easy insertion while ensuring excellent stability once in place, and its wide base with decorative disc guarantees safe, worry-free use. This product is perfectly suited for adult retailers looking to offer their customers a trending jewelry-style intimate collection that combines sensuality, aesthetics, and manufacturing quality. Its smooth stainless steel surface is non-porous and hypoallergenic, allowing versatile use with all lubricant types and guaranteeing impeccable hygiene after cleaning. This is a standout item for expanding a jewel plug lineup and meeting growing customer demand for accessories that blend function with decorative appeal.

Usage tips

Always use with a suitable lubricant to ease insertion and ensure user comfort. Start with a gradual application and follow your own pace. As this plug is made of metal, it will take on room temperature; it can be gently warmed or cooled before use to vary sensations, taking care never to exceed a safe body-friendly temperature.

Care instructions

Clean before and after each use with warm water and mild soap, or with a specialized sex toy cleaner. Dry thoroughly before storing in a clean, dry place away from dust. Since stainless steel is non-porous, this product can also be disinfected with a suitable solution between uses, making it a particularly hygienic item for professional or demonstration purposes.

Safety information

For intimate adult use only. Check for metal allergies before extended use. Never use the product roughly or without sufficient lubrication. Keep out of reach of children.
