Usage tips

Apply a water-based lubricant for optimal comfort and smoother glide. Ensure the suction cup surface is clean, dry, and completely flat for secure attachment. Test the remote control range before use to ensure reliable hands-free operation.

Care instructions

Clean thoroughly before and after each use with warm water and a mild, adult-toy-specific cleanser. Allow to air dry completely before storage. Store in a cool, dry place away from direct sunlight, and keep separate from other silicone products to prevent material degradation.

Safety information

Made from non-porous, body-safe silicone free from phthalates. Battery compartment for remote control is separate from the main unit; use only recommended batteries. Not waterproof unless otherwise specified—avoid full submersion.

Intended for adult use only (18+).
