Usage tips

Adjust the collar buckle to achieve a snug yet comfortable fit before use. Always communicate with your partner beforehand and use the leash with control, avoiding sudden pulls. Inspect the leather and chain links periodically for wear before each use to ensure safety and longevity.

Care instructions

Wipe down with a soft, damp cloth after each use to remove residue and moisture. Condition the leather periodically with a leather care product to maintain suppleness and prevent cracking. Store in a cool, dry place away from direct sunlight to preserve color and material integrity. Avoid prolonged exposure to moisture to prevent the chain from tarnishing.

Safety information

Intended for consensual adult use only. Ensure the collar is properly adjusted to avoid excessive tightness or restriction of breathing. Never leave a partner unattended while restrained. Discontinue use immediately if skin irritation occurs.

Recommended for use between consenting adults with prior discussion of boundaries and safe practices.
