

JOYSTOYS PARIS Remote Control Vibrating Egg 12 Functions - Fuchsia Pink

SKU : OEUF-TELECOMMANDE-B9MU · Brand : JOYSTOYS PARIS

The JOYSTOYS PARIS remote control vibrating egg is a next-generation bullet vibrator designed to appeal to both first-time users and seasoned fans of connected sex toys. Linked by a flexible wire to an ergonomic white and gold remote with 3 buttons, this fuchsia pink egg with a gold-tone tip delivers precise, intuitive control over vibrations without needing to handle the toy directly during use.

Featuring 12 distinct vibration functions, it lets users vary intensity and rhythm to explore a wide range of sensations, whether solo or with a partner. Its body-safe certified silicone construction ensures a soft, hypoallergenic surface that feels gentle against the skin, while the whisper-quiet motor guarantees discreet use, perfect for private, worry-free play.

Rechargeable via the included USB cable, this vibrating egg eliminates the need for disposable batteries, making it a more economical and eco-friendly choice in the long run. Its compact design, with controlled dimensions of approximately 70 x 26 mm, and ergonomic shape make it easy to handle, whether for solo enjoyment or spicing up foreplay as a couple.

Sold under the JOYSTOYS PARIS brand, this product meets CE and RoHS standards, guaranteeing compliance and safety for distribution in specialty stores or adult e-commerce platforms. Its sleek black packaging, accented with the brand's signature pink and gold touches, enhances shelf appeal and makes it easy to showcase in-store or online, while clearly displaying features and box contents to reassure the end customer.

Certifications	CE, RoHS

Box contents

- 1 wired vibrating egg
- 1 remote control
- 1 USB charging cable
- 1 instruction manual

Usage tips

Use a water-based lubricant compatible with silicone for optimal comfort. Turn on the device using the center button on the remote, then select one of the 12 vibration modes using the dedicated buttons on either side. Clean the product thoroughly before and after each use.

Care instructions

Clean the vibrating egg after each use with warm water and mild soap or a specialized sex toy cleaner, avoiding any contact of water with the remote control and charging port. Dry thoroughly before storing in a clean, dry place away from direct light. Do not submerge the remote control in water.

Safety information

Product compliant with CE and RoHS standards. For external use only, not designed for full water immersion. Check lubricant compatibility with the product's silicone material before use. Keep out of reach of children.
