

Rose Red Licking & Vibrating Stimulator JOYSTOYS PARIS

SKU : GM23 · Brand : JOYSTOYS PARIS

This rose-shaped clitoral stimulator from JOYSTOYS PARIS reinvents female pleasure with a retractable tongue that mimics the motion of oral stimulation. Hidden beneath soft-touch silicone petals, the vibrating tongue offers 10 distinct licking modes, ranging from a slow steady rhythm to fast, intense pulsations, so every user can find the exact frequency that suits her. The body of the toy also includes 10 additional vibration frequencies, delivering combined dual stimulation for heightened sensations. Designed for discreet use, this toy runs on a whisper-quiet motor that lets you enjoy an intimate moment without worrying about being overheard, making it especially well suited for shared living spaces or travel. Its compact, closed rose shape, crafted from premium medical-grade silicone with an elegant metallic-finish base, slips easily into a handbag or toiletry bag without drawing attention. Fully waterproof, it can be used in the shower or bath and cleans easily with mild soap and water. Two touch-sensitive buttons on top allow independent control of the licking mode and vibration mode, offering an intuitive experience right from the first use. This product is ideal for shops and professional resellers looking to offer their customers a trendy, beautifully designed, high-performance item that stands out from standard stimulators thanks to its refined floral design and innovative dual function.

Usage tips

Use with a water-based, silicone-compatible lubricant for optimal glide. Start with low-intensity licking or vibration modes before gradually increasing intensity to suit your preference. Both functions can be activated simultaneously for combined stimulation.

Care instructions

Clean before and after each use with warm water and mild soap, or a dedicated sex toy cleaner. Dry thoroughly before storing. Avoid alcohol-based cleaners, which can damage the silicone. Fully charge before first use with the included USB cable.

Safety information

For adult use only. Made from medical-grade silicone, free of phthalates, latex and BPA. Do not submerge beyond the stated waterproof rating. Keep away from direct heat sources. Keep out of reach of children.
