

Slim Cognac Leather BDSM Collar with Gold Buckle (Variant)

SKU : BDSM-0005 · Brand : JOYSTOYS PARIS

This slim cognac leather collar features a discreet gold-tone buckle for understated, elegant style. A narrower-cut variant of our classic collar, it keeps the same premium leather and craftsmanship while offering a more delicate silhouette. Perfect for wearers who prefer a subtler, refined look, this collar transitions easily from BDSM play to everyday fashion wear, making it a versatile addition to any collection.

Highlights

- Slim, narrower-cut design for a delicate, refined fit
- Genuine cognac-toned leather with a premium finish
- Discreet gold-tone buckle closure
- Same expert craftsmanship as our classic collar style
- Versatile piece for both BDSM play and everyday wear
- Ideal for retailers seeking a lighter, understated alternative to bolder collar styles

Box contents

- 1 x Slim Cognac Leather BDSM Collar with Gold Buckle

Usage tips

This slim collar can be worn during BDSM scenes as a symbol of ownership or comfortably as a everyday fashion accessory. Adjust the buckle for a snug yet comfortable fit around the neck. Because of its narrower cut, it pairs well with layered jewelry or minimalist outfits for a subtle statement piece.

Care instructions

Wipe clean with a soft, slightly damp cloth after each use. Avoid soaking the leather in water. Condition periodically with a leather-safe conditioner to keep it supple and prevent cracking. Store in a cool, dry place away from direct sunlight to preserve the cognac color and gold-tone finish.

Safety information

Made from genuine leather with a nickel-free gold-tone buckle to reduce risk of skin irritation. Recommended for adult use only. Ensure the collar is fitted comfortably and not overly tight to avoid restricting breathing or circulation. Discontinue use if any skin irritation occurs.
