

TERRY - Realistic Vibrator in Soft Silicone by JOYSTOYS PARIS

SKU : TERRY-R571 · Brand : JOYSTOYS PARIS

TERRY is a realistic vibrator from JOYSTOYS PARIS, designed to deliver a lifelike yet intense experience thanks to its anatomically accurate shape, complete with veining and texture for an authentic look and feel. The matte black body is fully coated in soft-touch silicone that feels smooth against the skin, is non-porous and easy to clean, ensuring a comfortable and hygienic experience with every use. The cylindrical base is accented with a gold ring that adds a premium touch to the design, and houses a two-button touch control panel: one power button and one dedicated mode button, allowing for instant, intuitive use without any instructions needed. TERRY is fully waterproof, making it suitable for use in the shower or bath, and recharges easily via USB cable, eliminating the need for disposable batteries and offering convenient, cost-effective power whenever needed. Its elongated shape and ergonomic grip make it a versatile accessory suited to both first-time users and more experienced customers seeking powerful, realistic stimulation. Presented in an elegant black box branded with the JOYSTOYS PARIS logo, featuring clear icons highlighting the product's key features, TERRY is designed for industry professionals looking to offer their customers a quality vibrator with refined design and premium packaging, ready for resale both in-store and online.

Usage tips

For optimal glide and comfort, use with a water-based lubricant compatible with silicone toys. Fully charge the device before first use with the included USB cable. Press the power button to turn the device on, then use the second button to cycle through the available vibration modes.

Care instructions

Clean the product before and after each use with warm water and mild soap, or a specialized sex toy cleaner.

Dry thoroughly before storing in a clean, dry place away from direct light and dust. Avoid prolonged contact with silicone-based lubricants to preserve the texture and longevity of the coating.

Safety information

For adult use only. Check waterproofing before use in wet environments. Do not expose the device to direct heat sources. Use only with silicone-compatible lubricant. Clean before and after each use to maintain optimal hygiene.
