Usage tips

Press the button on the gold base to turn on the mini bullet and cycle through the different vibration modes and intensities. For maximum comfort, use a water-based lubricant. Fully charge the device before first use with the included USB cable.

Care instructions

Clean the mini bullet before and after each use with warm water and mild soap, or a specialized sex toy cleaner, then dry thoroughly before storing. Avoid alcohol-based or solvent cleaners, as they can damage the silicone. Store in a cool, dry place away from direct light and separate from other silicone toys to prevent material reactions.

Safety information

Made from hypoallergenic, phthalate-free silicone. Use only water-based lubricant, as silicone-based lubricants can damage the material. Waterproof but not designed for prolonged deep submersion; avoid submerging deeply. Keep out of reach of children. Do not use on broken or irritated skin without medical advice.
